ST. PETER'S JR. BOYS BASKETBALL-

St. Peter's Jr. Boys basketball team won their division Championship on Sunday beating 2nd place Cross of Christ 54-40. The boys had an undefeated season going 8-0 in the regular season and winning their playoff game and today's final.

I want to congratulate Coach Gerard Jones and Asst. Coach John Jorgensen who have been working with these boys since the Pee Wee and Bantam Years. The boys have always done well but until today had never captured first place. These boys have worked incredibly hard over the years and are really amazing to watch now as young men. They are truly a team and every player contributes. Coach Gerard has worked with these boys for years and besides teaching them basketball, he has taught them the values of hard work, teamwork, and perseverance. We are all very proud, not only on the win, but the way they conduct themselves and represent St. Peter's. Please join me in wishing them our heartfelt congratulations.

ST. PETER'S is much more than our beautiful church building. It is YOU - the community of believers who serve God using this building as a home base. It is our ministries to the community, and our worship together, in person or virtually, that binds us together. To accomplish these ministries, we need to be good stewards of what God has entrusted to us. We appreciate your support of the many ministries taking place at, or with the community of St. Peter's.
